Public Speaking and Argumentation

Provides a solid foundation for communication in academic and career contexts.

Public Forum

One of the most popular forms of debate in the US. Students debate a national topic that changes throughout the school year.

Policy Debate

Students debate an annual national topic on implementing domestic and/or international policy.

IN PARTNERSHIP with HARVARD DEBATE COUNCIL

Opus Academy Debate Program HARVARD DEBATE PROGRAM - MANILA

HARVARD
Debate Council

Course on Public Speaking and Argumentation /and Public Forum Debate

An introduction to Competitive Public Speaking and Public forum debate. This course will cover two units:

Public Speaking Unit

Students will learn to prepare speeches different styles: a speech of introduction, informative speech, and persuasive speech. Students will learn two competitive speech formats: extemporaneous speaking and original oratory.

Debate Unit

Students will learn Public Forum debate, a debate style that is considered the most popular format of debate in the world, particularly in the US and China. Two teams of two students will debate on several topics in class as well as prepare for regular online tournaments.

LEVEL

Beginner to intermediate program for all experience levels.
